Hi [REDACTED - CONFIDENTIAL],

Thanks for waiting. I've double-checked with the product team, and as you can see in our portal, we display EOD indices.

Warm regards,
Alex

Hi Alex,

Based on your response, we will take this as your confirmation that you are not aware of any provision of Nasdaq Index Information and Equity Information in real time on Twelve Data's website. Likewise, we'll take this as your confirmation that you don't have a provider or contract for the information.

Thanks,

Hi Twelve Data,

Nasdaq was reviewing your website, and we noticed that you provide Nasdaq Index Information and Equity Information in real time, but we are unable to find you in our contracting/billing system. Can you please confirm your provider or whether you have a contract under a different name with Nasdaq or one of its affiliates? Please let us know, no later than May 1st.

Thanks,
REDACTED - CON
