Angelica Stuczynski joined Haley Guiliano LLP as a Technical Advisor in July 2023, following her graduation from UCSD where she studied Environmental Engineering within the Mechanical Engineering department. During her undergraduate years, Angelica gained experience in research and data analysis through volunteering at Dr. Caren Walker's Early Learning and Cognition Lab as well as valuable insight into the technology industry while serving as the Executive Assistant to Charles Pensig, CEO of Stratus Data. While career motivated, she loves all aspects of life, especially bowling, making fun videos, and spending time with her family.
