Erica Grant joined Haley Guiliano as a Technical Advisor in 2021 and was promoted to Associate in 2023 after her graduation from Franklin Pierce School of Law. Prior to joining Haley Guiliano, Erica worked with in-house patent counsel at Dexcom. There she gained experience in patent prosecution, transactions, and trademarks. In addition, she has experience in medical devices, electronic hardware and worked for four years as a project manager at Schneider Electric. Drawing from her engineering background and law school experiences, Erica provides a hands-on approach to help protect IP assets. In her spare time, Erica enjoys hiking and cooking.
