On Friday, March 22, 2019, Haley Guiliano LLP hosted clients and many former and present colleagues at the New York Intellectual Property Law Association (NYIPLA) 97th Annual Dinner in Honor of the Federal Judiciary. The

black-tie gathering brought more than 2,300 dinner guests and many others from the IP community together. Thank you to our clients, honored guests, attorneys, other firms, and the NYIPLA for another amazing event! We look forward to seeing everyone again next year!

A word from Jim Haley: "The 2019 Dinner was another celebration of the Federal Judiciary and intellectual property law. The featured speaker, Jon Meacham's, observations about the battle for the soul of America were inspiring. The dinner, as usual, gave us the chance to see many old friends and make new ones. It is an event not to be missed."
