## Partner Karen Mangasarian Nominated for Patent Prosecution Practitioner of the Year by LSPN

---

**Haley Guiliano (HG) is happy to announce that Partner Karen Mangasarian has been nominated for Patent Prosecution Practitioner of the Year at the first-ever Life Sciences Patent Network (LSPN) Awards.**

LSPN's panel of 15 independent [judges](#) will recognize excellence across 20 categories highlighting "innovation, dedication, and the unsung heroes driving progress in the life sciences patent community. "

Haley Guiliano sends hearty congratulations to Karen and her fellow nominees, who will be recognized at the [LSPN Awards Ceremony](#) on May 6, 2025, at The Colonnade Hotel in Boston.

### About [Karen Mangasarian](#):

Karen Mangasarian specializes in advising biotechnology, pharmaceutical, and life sciences clients on worldwide patent portfolio management, patent life cycle strategies, and competitive patent strategies. She offers expertise in patent landscapes, invalidity, patentability, non-infringement, and freedom-to-operate analyses, along with conducting IP due diligence investigations and guiding clients through IP-related transactions. Karen has expertise in diverse areas of life sciences technologies, including small molecule pharmaceuticals, antibody therapies, gene therapy, CRISPR, and diagnostic and therapeutic methods in molecular and cellular biology, immunology, microbiology, biochemistry, genomics, and computational biology. Moreover, she brings extensive experience in managing contentious patent matters, encompassing interferences, re-examinations, oppositions, and litigation.
